

Human induced Pluripotent Stem Cell (iPSC) Workshop 2018

April 2nd – 7th

Venue:

Centre for Stem Cell Research
(a unit of inStem, Bengaluru)
Christian Medical College Campus
Bagayam, Vellore 632002
Tamil Nadu, India

The Centre for Stem Cell Research (CSCR), Vellore, is a unit of the Institute of Stem Cell and Regenerative Medicine (inStem), Bengaluru. CSCR has been established as a collaboration between inStem, the Department of Biotechnology, Ministry of Science and Technology, Government of India and Christian Medical College, Vellore. CSCR aims to use stem cell science to better understand human diseases and develop novel cell-based therapies through translational research including basic science, animal models for diseases and clinical trials.

CSCR is initiating a 1-week workshop on induced pluripotent stem cells (iPSCs). This program will focus on generation, culture and, characterization of iPSCs. The workshop combines hands-on-training and lectures on these aspects as well as their applications.

Workshop Topics:

- Basic maintenance and cell culture of iPSCs
- Thawing and freezing of iPSCs
- Generation and characterization of iPSCs

Eligibility:

This workshop is open to research fellows, postdoctoral fellows and investigators working in the area of pluripotent stem cells. Preference will be given to those who are involved in this area research with projects funded by Indian Government funding agencies.

Selection process:

A total of 10 participants will be selected from all over India. All those interested in participating must submit an application form, CV and statement of purpose and a letter from Head of the Laboratory/Institution stating the applicability of the workshop for their research. All documents should be received no later than 26th February 2018. The selected candidates will be informed in the 1st week of March 2018 on the CSCR website.

Registration fees and payment:

The selected candidates should send a DD/Cheque for Rs. 12,000/- in favour of 'The Treasurer, CMC Vellore Association', payable at Vellore.

Accommodation:

Accommodation and food will be provided for the selected candidates.
